

Career and Internship Services

Career/Job Websites

GENERAL JOB LISTING SITES:

**There are hundreds of job search sites on the internet. We have attempted to narrow the list to the most useful for Dominican students and alumni. Please be informed that you can also apply to many jobs directly on the employer website.

- www.monstertrak.com- Job and Internship listings and employer profiles targeted toward college students. Dominican students should look under undergraduate schools for "Dominican University of California," and then if using an off-campus computer, the password is "goodjobs."
- www.craigslist.org – San Francisco Bay Area jobs by region
- www.hotjobs.com –Yahoo online job search site
- www.monster.com – Monster Board; post resume; search for jobs
- www.caljobs.ca.gov –California Employment Development Dept. link for job listings
- www.collegegrad.com – College graduate job hunter. Entry-level jobs
- www.jobbankusa.com – Job Bank USA
- www.bestjobsusa.com – Job Listings throughout the USA
- www.jobweb.com – National Association of Colleges and Employers. Career planning and employment information, including articles and tips about searching for a job, listings and company information for college students, recent graduates, and alumni
