The Dominican campus
feels like a country retreat.

Majestic trees and
beautifully landscaped
grounds surround the older
classic buildings and
contemporary structures.

The encircling hills can be viewed from almost everywhere and provide a welcoming atmosphere that encourages both tranquil thought and the stimulating exchange of ideas.

From large banquets to intimate retreats, dream weddings or musical concerts, our facilities offer flexibility and accommodate 50 to 500 participants. Ample free parking is available. In the summer, overnight accommodations are available.

### Summer Conference Accommodations

From June through mid August, Dominican offers lodging for conference attendees. Edgehill Village, a residential complex built in 2002, is six cedar-shingled buildings. Each suite features a living room, two bedrooms, and a shared bathroom. Accommodations include meals.
