

Student Travel Grants Spring 2006 – Approved

Monika Alas

NCUR

Poster: *Role of horses in spreading non-native invasive plants*

Elizabeth Allison

Model UN

Oral: *Model United Nations committee meetings and caucuses*

Shabrina Azim

NCUR

Poster: *Singing behavior of the New Zealand Grey Warbler*

Ofek Bar-Ilan

NCUR

Poster: *Altered hormone secretion associated with infertility and obesity in middle-aged female transgenic rats*

Tenzin Bhutia

NCUR

Poster: *Membrane fusion in HIV-1*

Arthur Bianchini

the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Wesley Box

the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Jenny Bray

the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Cynthia Brooks

NCUR

Poster: *Resource kit for management of non-native plants in CA National Parks*

Eileen Burns

the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Simi Chandi

NCUR

Poster: *Role of bison in Native American culture and history*

Student Travel Grants Spring 2006 – Approved

Jan Marie Cheng
NCUR

Poster: *Invasive parasites in Mosquitofish and Three-spined Stickleback - detrimental to freshwater fish?*

Francesco DeGiacomo
NCUR

Poster: *Genetically decreased hormone secretion - effect on fertility and obesity in male transgenic rats*

Maren Dermody
the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Marielle Discipulo
NCUR

Poster: *Invasive parasites in Mosquitofish and Three-spined Stickleback - detrimental to freshwater fish?*

Bianca Gabriel
NCUR

Poster: *Singing behavior of the New Zealand Grey Warbler*

Yannik Gaehwiler
the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Hario Gallo
the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Angela Giertych
NCUR

Poster: *Role of bison in Native American culture and history*

Rosanna Hanson
Ocean Sciences conference

Poster: *Algal epifaunal communities in Little Cayman*

Kevin Hassler
NCUR

Poster: *Membrane fusion in HIV-1*

Student Travel Grants Spring 2006 – Approved

Sarah Helstrom
the WPA conference
Poster: *Effects of music on exercise*

Marysia Kolipinski
NCUR
Poster: *Effects of herd size on communicable diseases in goats in Poland*

Sr. Eugenia Lucas
NCUR
Poster: *Making soap from agricultural waste materials*

Paula Mancilla
NCUR
Poster: *Biodiversity and ecology of bees in Central CA National Parks*

Jacqueline Maravilla
NCUR
Poster: *Altered hormone secretion associated with infertility and obesity in middle-aged female transgenic rats*

Ashley McClellan
NCUR
Poster: *Tamoxifen resistance in breast cancer cells*

Meghan Peck
NCUR
Oral: *Marine biology module to educate young students*

Camerin Ross
the WPA Conference
Poster: *Evaluating a Tripartite Non-Diet Approach for Treating Eating Disorders: The Beyond Hunger Model*

Gurleen Sidhu
NCUR
Poster: *Intracellular processing of APP in Alzheimer's disease*

Chris Souza
NCUR
Poster: *Role of bison in Native American culture and history*

Caitlin Sullivan
NCUR

Student Travel Grants Spring 2006 – Approved

Poster: *Invasive parasites in Mosquitofish and Three-spined Stickleback - detrimental to freshwater fish?*

Anya Villatoro
the Model UN

Oral: *Model United Nations committee meetings and caucuses*

Taylor Welty
NCUR

Poster: *Effects of cadmium on photosynthetic apparatus in the canola plant*

Desaree Williams
NCUR

Poster: *Spread of *p. ramorum* among camellias in a nursery setting*
