

The Program Student Learning Outcomes (PSLOs) for the General Education Program are as follows:

When a student has completed the General Education Program s/he will be able to demonstrate:

1. An understanding of and the connections among selected liberal arts disciplines.
2. The ability to access information and critically analyze, synthesize, and apply knowledge in written and oral form.
3. The ability to express awareness of the aesthetic, moral, and spiritual dimensions of existence.
