MBA Prerequisite Courses

The prerequisites courses, **Financial and Managerial Accounting, Micro- and Macroeconomics, and Statistics** must be completed prior to enrollment. Undergraduate and community college courses are acceptable with a grade of B or better. Dominican University also offers intensive courses prior to the start of classes, to fulfill these requirements. For additional information, please contact the Office of Admissions.

*Students in the weekend MBA program attend two classes every other Saturday (morning and afternoon). Occasionally students attend classes on consecutive Saturdays to accommodate national holidays or other events.

**Students in the evening MBA program attend two classes on Tuesdays during the Fall and Spring Semesters. During the accelerated Summer Semester students attend one class on Tuesday and Thursday evenings.

NOTE: THIS IS A SAMPLE SCHEDULE AND IS SUBJECT TO CHANGE
