Change Management Leading Transitions — A Model for Change

Dr. Bridges is making a special trip to speak to Dominican's students and faculty. He is offering his time as community service. Please urge your students take advantage of this unique opportunity to learn from, and interact with, one of the most revered leaders in the field of contemporary business theory and practice.

Dr. William Bridges is a preeminent authority on organizational change and managing change in the workplace. As former professor, Dr. Bridges was educated at Harvard, Columbia, and Brown, where he received his Ph.D.

William Bridges & Associates consulting firm helps organizations and individuals deal more successfully with transition. Dr. Bridge's training programs, speeches and consulting have been used by hundreds organizations, including Pacific Bell, Intel, Apple, Hewlett-Packard, Chevron Corporation, McDonnell Douglas Astronautics, Bextor Healthcare, U.S. Forest Service.

The Wall Street Journal has listed him among the top 10 independent executive development presenters in the U.S. He is the author of 8 books including *Transitions*, *Job Shift* and *Creating You & Company*.
