

## Authorization for Allowable Charges

Federal and state regulations allow Dominican to credit your federal and state financial aid funds to your student account for payment of tuition, fees, and on-campus room and board charges. By signing below, you authorize the University to apply financial aid funds to other charges (examples are listed below) related to your attendance. These charges and payments will appear on your student account statement issued by the Business Services Office.

If your financial aid resources exceed your charges, you may authorize the University to hold the excess funds on your account for payment of cost of attendance related charges (i.e., tuition, fees, room, board, and other institutional charges listed below) within this academic year.

- HOLD any excess funds and apply them to future charges
- REFUND any excess funds

This statement is effective for my entire period of enrollment at Dominican University of California. I understand that I may cancel this authorization at any time but that cancellation is not retroactive. I understand that I may refuse to authorize this statement.
