

2010-11 Scholars Work Program Application

Dominican University of California

The Scholars Work Program is for full-time undergraduate day recipients who have at least a 3.40 Grade Point Average in Dominican coursework. The maximum award amount for the academic year is \$3,000. Recipients must meet all qualifications to work, including completing work authorization, I-9, and W-4 paperwork, and providing a copy of their social security card for payroll authorization.
