

# Dominican University of California 2008-2009 Verification Worksheet DEPENDENT

Your financial aid application was selected for review in a process called "Verification." In this process, the Financial Aid Office at Dominican University of California must compare information from your FAFSA with signed copies of your and your parent's 2007 Federal tax forms, and other financial documents. Dominican is required by law to ask for and receive this information before awarding Federal aid. If there are any differences between your FAFSA information and your financial documents, the Financial Aid Office will send any required corrections electronically to the FAFSA processor to have your information reprocessed. *Schools must review the requested information, under the financial aid program rules (34 CFR, Part 668).*

*Fully complete BOTH SIDES of this verification worksheet, sign and submit it to the Financial Aid Office within 10 days of receipt of this form. If you have any questions, please call the Financial Aid Office at (415) 257-1350.*
