### VISITOR AND GUEST POLICY

Visitors and Guests are welcome in the residence halls, however, it is important to differentiate between these terms:

**VISITOR:** A person not assigned to the space who leaves by the end of visitation hours.

**GUEST:** A person not assigned to the space who stays past visitation hours (ex: overnight)

- Regular visitation hours are 10AM – 10PM
- Overnight guest hours begin at 10PM
- NO GUEST OR VISITOR under the age of 18 is allowed in the residence halls without direct permission from the Housing and Residence Life Coordinator.
- All guests & visitors must be escorted by the resident which they are visiting from the time of entry to the time of exit of the residence halls.
- A resident may only have a guest 2 times a month for no more than 72 hours a visit.
- No guests will be allowed to stay in the residence halls during the week of final exams during fall and spring semesters.
- Guests may not infringe upon the rights of room/suitemates. There needs to be a common agreement of visitation among all room/suitemates before guests visit. The right of a resident to study or sleep supersedes the right of another person to entertain or have visitors and/or guests.
- The hosting resident is responsible for the behavior of their visitors and/or guests.
- Residents are to NEVER give or loan their bedroom key or Penguin Pass to their guest and/or visitor.
- Residents are to NEVER leave their visitors and/or guest unattended in the residence hall common areas or bedrooms.
