

Name (Last, First): _____ Student ID#: _____

DOMINICAN UNIVERSITY OF CALIFORNIA Student Health Center
50 Acacia Ave, San Rafael, CA 94901
415-485-3208

Return these forms directly to the Student Health Center in the envelope provided no later than August 3, 2020. Students will be dropped from classes and not allowed to move into the dorms if records are incomplete.
Note: All incoming undergrad students must complete these requirements which are separate from medical forms and requirements for athletes.

Please check to make sure you and your medical provider have provided all the requirements.

Health REQUIREMENTS for ALL STUDENTS:

- Medical History Form** ----->
- Immunization & TB Screening Form** ----->
 - MMR** - Proof of 2 MMR (measles, mumps, and rubella) vaccines or immunity by titers
 - TB Screening** – Complete the TB Screening Questionnaire and follow-up testing as required
 - Tetanus/Diphtheria/Pertussis** - To be updated every 10 years

ADDITIONAL REQUIREMENTS for RESIDENT students:

- Meningococcal Meningitis Vaccination**
A booster is needed if the original vaccine was given more than 5 years ago or at age 15 or younger
- Varicella Vaccine** (Chicken pox)
Proof of 2 Varicella vaccines or blood titer showing proof of immunity
History of disease **must be verified** by blood test proving immunity

In addition, though not required WE STRONGLY RECOMMEND:

- Meningococcal Group B Vaccine** – A series of 2 or 3 injections depending on vaccine used.
This is a newly licensed vaccine that provides protection against the meningitis strain recently found to have caused outbreaks on college campuses.
- Hepatitis B Vaccine** - A series of 3 injections over 6 months
- HPV Vaccine** - 3 injections ~ Men & women younger than 26 years
- Hepatitis A Vaccine** – 2 injections
- Stress Management and/or Psychological Evaluation (as needed)**
 - Attending college can be very stressful, and even students with no history of, or mild mental health issues often have new or worsening symptoms of depression and anxiety, especially at exam times. We recommend proactive planning to deal with issues that may come up.
- Minors:** If you will be under 18 when you arriving at Dominican, please see the last page for consent to treat.
