Dear «first_name»,

Greetings from Dominican! We hope this email finds you and your family well given our current environment.

Dominican has issued Emergency Grants to students from the CARES Act.

Through the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Dominican received funding to provide emergency grants to students, "... to help cover expenses related to the disruption of campus operations due to coronavirus" (Education Secretary Letter to University Presidents, April 9, 2020). Grants have been issued in the form of a check and mailed to student's address on file with the University. Over 1,200 checks were distributed to students.

Dominican has funding available for additional Emergency Grants.

After the initial disbursement of Emergency Grants to students, Dominican has funds remaining to distribute to students who have had additional expenses related to COVID disruption. Funds will be distributed on a first-come, first-serve basis until funds are exhausted.

Dominican has posted an online application for Emergency Grants.

An application has been posted [online](#) for students to complete to request additional funds. Students may request up to \$1,000. This is inclusive of the initial disbursement that students have received. Applications will be reviewed by the CARES Task Force and notified of a decision. Funds will be issued to students in the form of a check. Students must meet the initial eligibility requirements in order to apply for additional funding.

Visit Dominican's CARES website for more information.
